## ALUMNI'S FEED BACK

BIJI K JOSEPH 2008 – 2012 BATCH WORKING IN ASEER CENTRAL HOSPITAL, ABHA, MINISTRY OF HEALTH, KINGDOM OF SAUDI ARABIA  
I had great experience at Chettinad College of Nursing. What really enhanced my experience was the caliber of my Professor at CCN. My Professors have extensive experience in Nursing. Having the real life anecdotes helped the material more sense to me and made me more confident while handling patients. My college had facilities like a very good library where I could enhance my knowledge. The hostel life was very excellent which made me to have a home atmosphere. I enjoyed my studies there and I am proud to be an alumnus of this college.

TINTU ABRAHAM 2008 – 2012 BATCH WORKING IN SOUTH QUNFUDAH GENERAL HOSPITAL, MINISTRY OF HEALTH, KINGDOM OF SAUDI ARABIA

M.Sc Nursing programme at CHRI helped me to crave more specific role adaptation in handling cardiothoracic patients and proud to say that my career was shaped by procuring this more advanced and specialized dual course from this institution

Mr. Daniel Amal Raj. M.Sc (N) (Batch 2009-2011)  
Pain management Nurse Manager,  
Transplant Nurse Co-ordinator (Heart & Lung)  
Global Hospitals, Chennai-600 100

M.Sc programme at CHRI laid a solid foundation with "state-of-the-art" nursing skills, scientific knowledge, and an emphasis on integrity and compassion. These core competence have served me to embark milestones well from registered nurse to Nurse Clinical Co-ordinator within a short span of my completion of the programme

Mrs. Ranganayaki.S M.sc (N) (Batch 2010-2012)  
Nurse Clinical Co-ordinator  
Sankara Nethralaya  
Medical Research Foundation, Chennai

M.sc nursing programme at CHRI has motivated and build up my clinical skills as well as teaching skills that shape my career as best clinical nurse and nursing educator

Mr. Jibin Chacko, M.Sc (N) (Batch 2010-2012)  
Nurse Educator, Citizens Hospital  
Nallugandlu, Hyderabad

Study at CARE constantly motivated and inspired me to go beyond the curriculum which is the key to my success & helped to develop critical thinking and analytical abilities which lead to a first author publication of my M. Sc. Dissertation

Angelin Esti Batch-2011-2013, Tutor  
Chettinad College of Nursing, Chennai

---

The M. Sc Cardio Vascular and Thoracic Nursing course and dissertation at CHRI has helped me to develop in-depth knowledge and skill in my specialization and facilitated to publish my research work in international peer review indexed journal and helped me to achieve my enshrine goal"

Achu Ravinath (Batch: 2011-13)  
Staff Nurse, Belhoul Speciality Hospital,  
Dubai, UAE.

---

The M. Sc Cardio Vascular and Thoracic Nursing course and dissertation at CHRI has guided me with the good clinical experience and research activity which helped me to build in-depth knowledge skill and practice in various cardiac surgeries and procedures and motivated to achieve my goal.

Robin George (Batch: 2012-14)  
Staff Nurse,  
AIIMS, Newdelhi.
